

Japanese Visitor to Tour Torrance Parks

The Torrance Recreation Department will be host to Goichi Matsubara, executive secretary of the National Recreation Association of Japan, tomorrow, according to Harry Van Bellehem, recreation director.

The visitor will tour various city recreation facilities and observe park activities in action from 9 a.m. to 1 p.m., Van Bellehem said.

Matsubara is visiting here from July 5 to July 27 under the auspices of the L.A. County Department of Parks and Recreation and the National Recreation Association.

He will remain in this country until the conclusion of the National Recreation Congress which will be held in October at Philadelphia.
